### **TRAIN THE TRAINER PROGRAM IN GLOBAL ENGLISH/ ACCENT NEUTRALIZATION & AMERICAN ACCENT – V & A TRAINING**

#### **Course Director**

**DR. SADHANA NAYAK M.S**

#### **Duration of Course**

30 hours

#### **Profile of Participants [Who should attend]**

This is ideal for aspiring Voice and Accent trainers, HR managers, training managers, teachers of English, educators, speech pathologists, communication consultants and those who want to be professional trainers.

#### **Objectives**

The training program equips trainers with comprehensive knowledge and the necessary skills in imparting voice and accent training.

#### **Training Methodology**

The program utilizes the principles of phonetics, voice science and communication skills for training trainers. The training methods focus on the practical aspects along with theory. The trainer will learn to deliver the following content through role plays, theater games, quizzes, group activities, discussions. CBTs and audio CDs are used extensively to speed up the learning process. The trainer's knowledge and trainer delivery skills will be assessed in the course of the training program.
